With subsidiaries according to certification decision

Stockholm (HQ), Malmö & Karlskrona, SE Århus, DK – München, DE - Jacksonville, FI, US - Espoo, FI

Svensk Certifiering Norden AB certifies that the quality management system

has been reviewed and complies with:

ISO 9001:2015

Details of scope and the range of the certificate

are defined in the certification decision.

The management system covers:

Truesec is an expert company that focuses on IT security, infrastructure, and secure development. During the years in which we have operated our business, we have succeeded in creating a team consisting of experts in their respective fields. Our passion for following, testing, and challenging the development of cybersecurity is the source of our motivation. Today, we engage in wide-ranging activities including critical assignments related to national security and infrastructure, lectures at large international conferences, research assignments and investigations, and assisting in cases of acute incidents

Michael Persaud, CEO SVENSK CERTIFIERING NORDEN AB
